

First Officer (SIC) – Pilatus PC-12 NGX/PRO

Vienna (LOWW) | Full-Time | Business Aviation

SKYSIDE is looking for a motivated and professional **Pilatus PC-12 NGX/PRO First Officer** to join our expanding flight operations team.

Your Mission

As First Officer you will:

- Support the Captain in the safe and efficient operation of the Pilatus PC-12 NGX/PRO.
- Conduct flights in accordance with Company SOPs and EASA regulations.
- Prepare operational documentation and flight planning.
- Coordinate with Flight Operations, CAMO and Ground Handling.
- Deliver first-class customer service with discretion and professionalism.
- Promote a proactive safety culture and strong Crew Resource Management.

Minimum Requirements

- ✓ EASA CPL(A) with ATPL Theory completed (Frozen ATPL) or ATPL(A)
- ✓ Valid Class 1 Medical
- ✓ Minimum **500 hours Total Time**
- ✓ Current PC-12 NGX/PRO Type Rating preferred
- ✓ Extensive VFR operating experience
- ✓ Flight Instructor qualification considered an advantage
- ✓ ICAO English Level 5 or higher
- ✓ EU passport or unrestricted right to work within the European Union

What We Offer

- ✓ **Starting salary from EUR 3,500 gross per month** under an Austrian employment contract (depending on qualifications and experience)
- ✓ Fixed **7 ON / 3 OFF – 7 ON / 4 OFF** roster
- ✓ Vienna (LOWW) base
- ✓ Modern and highly capable Pilatus PC-12 NGX/PRO fleet
- ✓ Professional and supportive operational environment
- ✓ Long-term career development
- ✓ Stable and growing business aviation operation

Why SKYSIDE?

Joining SKYSIDE means becoming part of a team where professionalism, teamwork and safety are more than values; they define the way we operate every day.

If you are looking for a challenging and rewarding career in business aviation with genuine opportunities for professional growth, we would be delighted to hear from you.
